I have provided outstanding finance support to banking, legal and healthcare organizations for over 25 years. My combination of system implementation, management reporting, budgeting and accounting experience makes me a unique and valuable resource to any finance team.

Management Reporting:

- Delivered the EPSi Clinical Dashboard, Budget Variance and Productivity reporting packages for Stanford Children's Hospital which helped lead to an over 5% reduction in the cost per patient day
- Developed the Suplizio Cardiovascular Center and the Jacobs Medical Center Board of Regents Packages for the UCSD Health System which were used to obtain UCOP approval
- Managed benchmarking surveys for Stanford Children's Hospital and Perkins Coie LLP which led an overall reduction in supply expense of more than 3%
- Created board packages for the UCSD Health Bone Marrow Transplant (BMT) and Shiley Eye Center Programs increasing financial transparency as well as assisting in an over 10% reduction in cost per patient day

System Implementation:

- Delivered the EPSi budgeting module and the Strategic Product interface for Stanford Children's health on time and under budget
- Managed the creation of an in-house budgeting system for Perkins Coie LLP which was instrumental in an over 20% reduction in office construction costs
- Managed the general ledger functions of the UCSD EPSi Budget Manager Implementation as well as building an improved online interface leading to increased business unit satisfaction

Budgeting:

- Reduced month-end data processing time by over 50% through the implementation of the EPSi Budgeting module
- Saved UCSD Health over \$15 million in annual operating expense through the Strategic budget reductions initiative
- Created an overtime reporting package which led to significant reductions in annual labor costs for UCSD Health as well as Stanford Children's Hospital

Key Positions:

- Financial Systems Manager, November 2015 – April 2019, Stanford Children's Hospital, \$4.6 billion in annual charges
- Principal Budget Analyst, 2008 – 2015, University of California San Diego Hospital System, \$2.5 billion in annual charges
- Senior Financial Analyst, 2005 – 2008, Fresenius Medical Care, San Diego, CA, \$150 million in annual revenue
- Financial Analyst, September 1997 – October 1999, Perkins Coie LLP, Seattle, WA, \$600 million in annual revenue

Education: *University of Washington, Seattle, WA:* Bachelor of Arts in Business Administration, finance concentration, Certificate of International Studies in Business, Dean's List
